The screenshot displays the MainType 7.0 application window. The main area shows a list of fonts in a table. The 'Camellia ExtraBold' font is selected and highlighted in blue. Below the table, there are several panels: 'Font Information' showing properties for 'Camellia ExtraBold', 'Font Tags' with a list of tags like '1999', 'Abstract', and 'Bold', 'Sample' showing the text 'The quick brown fox jumps over the lazy dog.' in the selected font, and 'Zoom' showing a large '@' symbol.
